Career

Intend to work with leading corporate of hi-tech environment with environment committed & dedicated people , which help me to explore myself fully and realize my potential.

Experience

Techvault Support Service llp

React developer

React.js,

- During my 6-month internship at Techvault Support Service LLP, I specialized in React.js, MongoDB, JavaScript, and Tailwind CSS. Responsibilities included web app development, debugging, and performance optimization, culminating in a strong foundation for future tech endeavours.

Projects

EverGreenNews

Daily News

React.js,

- Developing an evergreen news app using React.js, HTML, CSS, JavaScript, and Bootstrap for the frontend.
- The backend fetches data through an API.
- Challenges may include handling API requests and displaying fetched data efficiently in React components.

TextUtils

Text changing

React.js,

- TextUtils is a React web application built using HTML, CSS, JavaScript, and Bootstrap.
- It serves as a versatile tool for text manipulation, offering features such as converting text to uppercase or lowercase, copying text to the clipboard, and removing extra spaces.
- The app's intuitive interface and comprehensive functionalities make it a valuable resource for users seeking efficient text processing solutions.

PassOP

Password Manager

React.js , exprees.js ,MongoDB

- PassOP is a React web application built using MongoDB, Express.js, HTML, JavaScript, and Tailwind CSS .
- A password manager built with React, Express, and MongoDB allows users to securely store, manage, edit, create, and delete passwords and sensitive information..
- React provides an intuitive frontend interface, Express handles backend requests, and MongoDB stores user data securely. Users can easily navigate, edit, add, and remove entries from their password vault, ensuring efficient password management while prioritizing security..

Technical Skills

Programming Languages JavaScript

Libraries/Frameworks React.js, Git , HTML5 , CSS3, Bootstrap , Tailwind CSS

Database MongoDB, SQL

Education

Silver Oak University

Ahmedabad, India

BCA

june. 2024

- 8.59/10
